## August 2003

Hi Everyone,

Last month we had Chris Hayward from Eastern Suburbs judge our work. He also showed us some of his photography from his trip to Vietnam. The colours of the country were fantastic. It was a most enjoyable slide show.

At our last meeting we discussed the Interclub Competition rules for our competition with Preston Photographic Club. Orsola will speak to Ray Jenner and let us know the final details for October's meeting. Each club shall submit a maximum of 12 slides, 12 small prints and 12 large prints. Each member will be able to submit a maximum of 4 small prints, 4 large prints and 4 slides. So, please look through your work and think about which photos you would like to enter. If more entries are received than is allowed, a meeting will be held to choose those that shall be entered. All entries must be received by September's meeting.

We received a cheque from Moreland City Council for the raffle tickets we had sold. This has been a great fundraiser for our club. Well done to all those who had sold tickets.

Adrian Smith has included our club on a website for the Camera Clubs of Australia.

A special Thank You to Suzanne for laminating our ID cards.

Unfortunately our judge for the August meeting has taken ill. As it is too late to obtain a judge at such short notice, this meeting's competition will be a club judging.

I have obtained information on tours of Docklands if anyone is interested in doing a tour as a group. Think about whether this could be an excursion for us. If there is enough interested people I will find out more about it. We will discuss this at the next meeting.
