## March 2004

Hi Everyone,

Our first meeting was held at our usual meeting place with new carpet replacing that damaged in the flood last year. Adrian Smith was our judge for this meeting, and after the judging he showed us some of his own work he had produced on his computer from his digital cameras. The prints had great color, contrast and were very sharp. Maybe I will have to think about a digital SLR camera in the future, especially now I know that you can use your old lenses on a digital SLR.

At the meeting it was decided to change our starting time back to 7.30p.m. due to difficulty in some of our members getting to the meeting on time. So please note next month's meeting will start at 7.30p.m.

Flyers are available to any members who wish to advertise our club in their area. Orsola has also put free advertisements in the Whats On section of the Brunswick Leader and in Around Town.

At the AGM it was decided to make our visit to the Botanic Gardens in May a "Location, Hunt and Shoot" The topic may be "Changing Colours" We will decide this at a committee meeting in March.

Orsola has started to distribute raffle books for the Moreland Community Fundraising Raffle. Please see her if you can sell more books. This is the same raffle we participated in last year, and it has been a good fundraiser for us.

## VAPS News

Newsletters are available to read at our meetings.

We have a copy of the 34<sup>th</sup> National Photography Exhibition 2003 Catalogue of Exhibits for anyone to look at. It shows all the winning entries from the competition at the Royal Melbourne Show last year. Worth a look at.
