Welcome to the next edition of our club's newsletter.

Sorry it's a little late, but I blame the time difference between Melbourne and Washington DC, where this newsletter's being produced!

The September meeting's theme was 'atmosphere' and from all accounts it was a productive meeting. The next meeting is the inter-club meeting with Preston, hosted by ourselves, on Thursday 11th (if my memory serves me correctly) – let's come out in force to reclaim the inter-club prize!

As I will be away until the end of October, may the next meeting be enjoyable and I'll see you all in person for the AGM in November – see 'Upcoming events' for details

Cheers, Paul
