Hello everyone.

Thank you to the people who contributed at our last workshop meeting where we were fortunate enough to have dual presentations. The first by Lynne Yeaman and Jannette Blennerhassett on the making of Audio visuals and the second on High Dynamic Range (HDR) photography by Andrew Haysom and Charlie Scicluna. Both presentations were very informative and entertaining.

We are coming into a very busy time in so far as our club is concerned with events on 3 consecutive weeks starting next week.

Our last competition meeting was an Open theme and as with most opens, there were many and varied entries. Our judge for the night was David Burren, an accomplished photographer in his own right. David's style could be described as "tough but fair", some might disagree but he had a strong emphasis on the technical aspects of photography.

As always, congratulations to the winners and placegetters.

Keep Snapping,

Upcoming Club events

August Workshop meeting – Thursday 27 August

Please note that the Light Painting event which was scheduled for this date has been rescheduled.

Refer to the information below which is hot off the presses from Andrew.

At this point in time there is no substitute activity planned and unless someone can come up with an idea we might be having the night off.

Unfortunately, due to personal circumstances, the team that run the Light Painting workshop we were scheduled to do on August 27th, have had to cancel that night.

I have booked us in for the night of Thursday September 24th, I hope that suits all of you who had booked in for the August date, and would request that you let me know either way.

If anyone was booked in and cannot make the September date, they have also advised that they have available slots for Saturday August 22nd, if you would like to attend a public session rather than the new club date.

So new details are;

Date: Thursday 24th September, 2015

Time: 7pm

Duration: 2:00-2:30 hours

Meeting place: Federation Square

Cost: \$25 per person, payable in cash on the night

Sorry for any inconvenience, and I look forward to your RSVP.

Regards, Andrew

We welcome submissions from all financial members and will do our best to ensure that all members who submit images are represented.

Digital images can be submitted via the website up until midnight on 9th September.

Prints must be delivered to Sharon by 10th September or can be brought to our Lighting Workshop on September 3rd, or our Seascape competition on September 10th.
